19-YEAR-OLD GIRL STAR WITH BILLIARD CUE!

CLARA HEYWOOD

BY PAUL PURMAN.

Playing wonderful billiards in the matches at Philadelphia, Miss Clara Heywood of Cynwood, a Philadelphia suburb, has won recognition as the greatest woman billiard player in America! She ranks with many amateurs of the opposite sex!

Miss Heywood, only 19 years of age, has mastered the intricacies of the three-cushion and balk-line games and is steadily advancing.

When 16, Miss Heywood began practicing at her home on a 4 1/2 by 9 table. At that time she played frequently with Dr. R. H. Switzer, a skillful amateur. Her progress with the more difficult shots, particularly masse shots, caused Dr. Switzer to advise her to take lessons from Harry Cline, former three-cushion 18.2 balk line champion.

Cline was astonished at the girl's ability and gave considerable time to her tutelage. He says that if a na-

tional woman's billiard tournament be arranged, Miss Heywood would probably win.

Miss Heywood is best at the 14.2 balk line game and has made several runs of from 70 to 80 at this style. Her high run at 18.2 is 60 and she has many runs of more than 150 at straight rail.

Miss Heywood practices every day at her home and takes gymnasium exercises to keep herself in the best of physical condition.

"CUSS" WORD LOSES FOOTBALL GAME

Buckhannon Team Quits When Not Allowed to Swear.

Buckhannon High laid down in the second quarter of play in the game with Fairmont High Saturday, getting a 1-0 forfeiture score instead of the 7-0 tally they had against them from the first three minutes of play and which would have been increased by at least two touchdowns before the game ended. Just eight plays from the kick-off were required by Fairmont to take the ball across for a touchdown, and when Knight kicked goal the score was 7-0 before three minutes were gone.

Enraged by their impending defeat, the Buckhannon boys started swearing that was repelled to fervidly by the Fairmont players. Things got to such a point that referee Carr stopped the game, walked between the lines and told the players emphatically that the next man to use profanity directed at another player would be ordered from the field. In about a minute a Buckhannon huskie let loose again and the banishment was ordered. Buckhannon refused to permit the action and were given two minutes by the referee to get another man on the field. They did not and the game was forfeited 1-0.

Buckhannon, in every other appearance she ever made here, has made a sportsmanlike showing against the locals, as a rule defeating them. Saturday, however, it looked as though a defeat was a thing the visitors had never learned to accept gentlemanly.

Mannington will line up against the locals next Saturday at Mannington, Cameron Saturday after next, and the next Saturday Clarksburg will come to Fairmont to have some starch taken from her lineup.

Monongah to Have Lyceum Lectures

Under the auspices of the Thoburn high school, the citizens of Monongah will this year have the opportunity of attending a Lyceum Lectures course. Four numbers have been secured under the management of Prin. G. Blaine Nicholson, the first of which will be given Tuesday, November 7. Each of the four numbers will be given in the Lyric theatre.

In order to secure the course it was necessary to get the financial support of several Monongah business men. Among these are: P. H. McDonnell, Joseph W. Burke, Dr. A. J. Riedy, J. P. McKain, Claud McPeo, Lee N. Satterfield, Carrol Carrey, Harry N. Martin, Howard D. Martin, J. H. Vingle, Pete Shomenski, and John Snyder. At a recent meeting Denzil Shaver was chosen business manager of the lecture course. Season tickets will be sold within the next few days and it is hoped that the better standard of entertainments will secure the co-operation of all the Monongah citizens.

Normal Wins From Broadus by 13 to 12

Fairmont State Normal grid men defeated Broadus College for the second time this season, when they won by the close score of 13-12 at Philippi Saturday. Normal, as a matter of fact, had a score of 25 against the Broadus boys, but two of her touchdowns made in the last half were not allowed by the referee because of alleged outside plays.

Broadus took the lead in the first half, the second opening with the score 12-0 against the locals. Normal had become foxy however and started passing. From then on the Broadus boys were lost.

Mike Hamilton, Reed, Ridgely and Smallwood were the stars for the locals. California Normal is the next term to be met by the Normal boys, they being here next Saturday.

Democratic county officers say they can't stop bootlegging. Elect Republicans who will.

It Is The Man Who Must Decide and Now Is The Time

It is the man who must decide what kind of clothes he wants.

It is the man who must decide where he will get them.

Two questions that need no straw vote nor general election to decide them.

Two questions that are instantly answered in one word,

HARTLEY'S

The finest men's and young men's all wool suits and overcoats are now in full readiness. Prices \$15 to \$30

Underwear That Fits—\$1 to \$3.

Men's Separate Trousers—\$1 to \$5

MEN'S AND BOYS' DEPARTMENT

After Nov. 30, it will cost you just \$70 more to buy a 7-22 Chalmers. But the price on the 5-passenger 3400 r. p. m. Chalmers remains (for the time being) \$1090 Detroit

Until midnight of Nov. 30 you can get a 7-22 Chalmers for \$1280 Detroit—a car of rare ability, fascinating in body equipment, and, like a beautiful woman, of exquisite charm.

After that date the price becomes \$1350 Detroit—\$70 more. The \$70 is just a few dollars less than the increase in cost of manufacture of this car since its appearance in June.

To those who have longed for the 5-passenger 3400 r. p. m. Chalmers—and have not yet possessed one, just a word of warning: the price remains unchanged just now—\$1090 Detroit; we do not know how long this low price will continue. We reserve the right to increase the price without notice.

Only those who are buying materials such as go into high-grade automobiles can begin to realize the steady, upward trend of the materials market.

Just one condition today prevents a rise in price of the 5-passenger 3400 r. p. m. Chalmers—the fact that these cars are being made on a factory "work order" dating back several months.

Since the "work order" went through materials have jumped in cost again. When the current "work order" is completed and if materials remain at their present level or rise higher, only one course will be possible, an increased price.

Those who have been driving Chalmers cars know how diligent has been the Chalmers effort to set down cars of the quality kind.

They will understand how impossible it would be for Chalmers to dodge the increase-in-materials issue and maintain the prevailing price on the 7-22 Chalmers.

Lower the quality of the Chalmers car? Never. The Chalmers men take great pride, not only in the money the car makes for them, but in the car itself. And pride, as everyone knows, is a thing that can never be compromised.

It would be like Tissot trying to paint a picture to fit a price.

As long as there's a name "Chalmers", there will be a quality car, and as long as there's a quality car there'll be a price fixed—not by the Sales Department—but by cost accountants.

And there'll be a fair deal. Chalmers says these two 3400 r. p. m. models will be continued into next season. You can bank on that. So that a Chalmers car you might buy now will be exactly like the one you would buy next spring.

Remember the \$70 you can save now by anticipating the rise in price. There's an old Scotch proverb that says "A dollar saved is a dollar earned". \$70 buys a good suit of clothes, a good pair of shoes, a good hat and some good gloves. Also it just about pays your dues at the club for a year.

Or, if it's a 5-passenger 3400 r. p. m. Chalmers you want, our advice is to get one now.

We are not sure the price is going up and we are not sure that it isn't.
